All costs incurred by the Association in connection with the restoration shall be reimbursed to the Association by the Owner of the Lot, upon demand. All un-reimbursed costs shall be a lien upon the Lot until reimbursement is made. The lien may be enforced in the same manner as a lien for an unpaid assessment levied in accordance with Article XI of this Declaration.

## ARTICLE X INSURANCE AND FIDELITY BONDS

#### Section 10.1. General Insurance Provisions.

The Association shall maintain, to the extent commercially reasonably available:

- (i) Property insurance on the Common Area for broad form covered causes of loss; except that the total amount of insurance must be not less than the full insurable replacement costs of the insured property less applicable deductibles at the time the insurance purchased and at each renewal date, exclusive of land,

excavations, foundations, paving areas, landscaping and other items normally excluded from property policies; and

- (ii) Commercial general liability insurance against claims and liabilities arising in connection with the ownership, existence, use, or management of the Common Area and the Association, in an amount, if any, deemed sufficient in the judgment of the Executive Board, insuring the Executive Board, the Association, the Manager, and their respective employees, agents, and all persons acting as agents. The Owners shall be included as additional insureds but only for claims and liabilities arising in connection with the ownership, existence, use, or management of the Common Area. The insurance shall cover claims of one or more insured parties against other insured parties.
- (iii) The Association may carry such other and further insurance that the Executive Board considers necessary and appropriate, including insurance on Lots that the Association is not obligated to insure to protect the Association or the Owners. In the event the Executive Board elects to provide such additional insurance, it shall promptly notify the Owners of such election and such additional insurance shall be a Common Expense.

#### Section 10.2. Cancellation.

If the insurance described in Section 10.1. is not reasonably available, or if any policy of such insurance is canceled or not renewed without a replacement policy therefore having been obtained, the Association promptly shall cause notice of that fact to be hand delivered or sent prepaid by United States mail to all Owners .

#### Section 10.3. Policy provisions.

Insurance policies carried pursuant to Section 10.1. must, to the extent available, provide that:

- (i) Each Owner is an insured person under the policy with respect to liability arising out of such Owner's membership in the Association;
- (ii) The insurer waives its rights to subrogation under the policy against any Owner or member of his household;
- (iii) No act or omission by any Owner, unless acting within the scope of such Owner's authority on behalf of the Association, will void the policy or be a condition to recovery under the policy; and
- (iv) If, at the time of a loss under the policy, there is other insurance in the name of an Owner covering the same risk covered by the policy, the Association's policy provides primary insurance.

#### Section 10.4. Insurance Proceeds.

Any loss covered by the property insurance policy described in Section 10.1 must be adjusted with the Association, but the insurance proceeds for that loss shall be payable to any insurance trustee designated for that purpose, or otherwise to the Association, and not to any holder of a security interest. The insurance trustee or the Association shall hold any insurance proceeds in trust for the Owners and Mortgagees as their interests may appear. Subject to the provisions of Section 10.7. below, the proceeds must be disbursed first for the repair or restoration of the damaged property, and the Association, Owners and Mortgagees are not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the damaged property has been completely repaired or restored or the regime created by this Declaration is terminated.

#### Section 10.5. Association Policies.

The Association may adopt and establish written nondiscriminatory policies and procedures relating to the submittal of claims, responsibility for deductibles, and any other matters of claims adjustment. To the extent the Association settles claims for damages to real property, it shall have the authority to assess negligent Owners

causing such loss or Owners benefiting from such repair or restoration all or any equitable portion of the deductibles paid by the Association.

Section 10.6. Insurer Obligation.

An insurer that has issued insurance policy for the insurance described in Section 10.1. shall issue certificates or memoranda of insurance to the Association and, upon request, to any Owner or Mortgagee. Unless otherwise provided by statute, the insurer issuing the policy may not cancel or refuse to renew it until thirty (30) days after notice of the proposed cancellation or non-renewal has been mailed to the Association and to each Owner and Mortgagee to whom a certificate or memorandum of insurance has been issued at their respective last-known addresses.

Section 10.7. Repair and Replacement.

- A. Any portion of the Common Area for which insurance is required under this Article which is damaged or destroyed must be repaired or replaced promptly by the Association unless:
  - (i) The regime created by this Declaration is terminated;
  - (ii) Repair or replacement would be illegal under any state or local statute or ordinance governing health or safety;
  - (iii) Eighty percent of the Owners vote not to rebuild.
  
- B The cost of repair or replacement in excess of insurance proceeds and reserves is a Common Expense. If the entire Common Area is not repaired or replaced, the insurance proceeds attributable to the damaged Common Area must be used to restore the damaged area to a condition compatible with the remainder of Mariana Cove, and except to the extent that other persons will be distributees, the insurance proceeds must be distributed to all the Owners or Mortgagees, as their interests may appear in proportion to the Common Expense liabilities of all the Lots.

Section 10.8. Common Expenses.

Premiums for insurance that the Association acquires and other expenses connected with acquiring such insurance are Common Expenses.

Section 10.9. Fidelity Insurance.

To the extent reasonably available, fidelity bonds must be maintained by the Association to protect against dishonest acts on the part of its Directors, officers, trustees, and employees and on the part of all others who handle or are responsible for handling the funds belonging to or administered by the Association in an amount not less than two months' current Assessments plus reserves as calculated from the current budget of the Association. In addition, if responsibility for handling funds is delegated to a Manager, such bond may be obtained for the Manager and its officers, employees, and agents, as applicable. Any such fidelity coverage shall name the Association as an obligee and such bonds shall contain waivers by the issuers of all defenses based upon the exclusion of persons serving without compensation from the definition of "employees," or similar terms or expressions.

Section 10.10. Worker's Compensation Insurance.

The Executive Board shall obtain worker's compensation or similar insurance with respect to its employees, if applicable, in the amounts and forms as may now or hereafter be required by law.

Section 10.11. Other Insurance.

The Association shall also maintain insurance to the extent reasonably available and in such amounts as the Executive Board may deem appropriate on behalf of Directors against any liability asserted against a Director or incurred by him in his capacity of or arising out of his status as a Director. The Executive Board may obtain

insurance against such other risks of a similar or dissimilar nature as it shall deem appropriate with respect to the Association's responsibilities and duties.

Section 10.12. Insurance Obtained by Owners.

Each Owner shall obtain and at all times maintain physical damage and liability insurance for such Owner's benefit, at such Owner's expense, covering the full replacement value of the Owner's Lot and residence (except to the extent any such Lot is encumbered by an easement conveyed to the Association as Common Area) and personal property, and personal liability insurance in a limit of not less than Three Hundred Thousand Dollars (\$300,000.00) in respect to bodily injury or death to any number of persons arising out of one accident or disaster, or for damage to property, and if higher limits shall at any time be customary to protect against tort liability such higher limits shall be carried. In addition, an Owner may obtain such other and additional insurance coverage on the Lot and residence as such Owner in the Owner's sole discretion shall conclude to be desirable; provided, however, that none of such insurance coverage obtained by the Owner shall operate to decrease the amount which the Executive Board, on behalf of all Owners, may realize under any policy maintained by the Executive Board or otherwise affect any insurance coverage obtained by the Association or cause the diminution or termination of that insurance coverage. Any insurance obtained by an Owner shall include a provision waiving the particular insurance company's right of subrogation against the Association and other Owners. No Owner shall obtain separate insurance policies on the Common Area.

## ARTICLE XI ASSESSMENTS

Section 11.1. Obligation.

Each Owner, by accepting a deed for a Lot, is deemed to covenant to pay to the Association:

- (i) the Annual Assessments imposed by the Executive Board as necessary to meet the Common Expenses of maintenance, operation, and management of the Common Area and to perform the functions of the Association;
- (ii) Special Assessments for capital improvements and other purposes as stated in this Declaration, as permitted under the Act; and
- (iii) Default Assessments which may be assessed against a Lot for the Owner's failure to perform an obligation under the Association Documents or because the Association has incurred an expense on behalf of the Owner under the Association Documents.

Section 11.2. Purpose of Assessments.

The Assessments shall be used exclusively to promote the health, safety and welfare of the Owners and occupants of Mariana Cove, for the improvement and maintenance of the Common Area and other areas of Association responsibility referred to herein, as more fully set forth in this Article below.

Section 11.3. Budget.

Within thirty (30) days after the adoption of any proposed budget for the Association, the Executive Board shall mail, by ordinary first-class mail, or otherwise deliver a summary of the budget to all the Owners and shall set a date for a meeting of the Owners to consider ratification of the budget not less than fourteen (14) nor more than sixty (60) days after mailing or other delivery of the summary. Unless at that meeting seventy-five percent (75%) of all Owners reject the budget, the budget is ratified, whether or not a quorum is present. In the event that the proposed budget is rejected, the annual budget last ratified by the Owners must be continued until such time as the Owners ratify a subsequent budget proposed by the Executive Board. The Executive Board shall adopt a budget and submit the budget to a vote of the Owners as provided herein no less frequently than annually. The Executive Board shall levy and assess the Annual Assessments in accordance with the annual budget.

Section 11.4. Annual Assessments.

Annual Assessments for Common Expenses made shall be based upon the estimated requirements as the Executive Board shall from time to time determine to be paid by all of the Owners, subject to Section 11.3 above. Estimated Common Expenses shall include, but shall not be limited to, the cost of routine maintenance and

operation of the Common Area; expenses of management; taxes and special governmental assessments pertaining to the Common Area and insurance premiums for insurance coverage as deemed desirable or necessary by the Association; landscaping, care of grounds within the Common Area; routine repairs and renovations within the Common Area; wages; common water and utility charges for the Common Area; legal and accounting fees; management fees; expenses and liabilities incurred by the Association under or by reason of this Declaration; payment of any default remaining from a previous assessment period; and the creation of a reasonable contingency or other reserve or surplus fund for general, routine maintenance, repairs, and replacement of improvements within the Common Area on a periodic basis, as needed.

Annual Assessments shall be payable on a prorated basis each year in advance and shall be due on the first day of each month, calendar quarter or year, as determined by the Executive Board. The omission or failure of the Association to fix the Annual Assessments for any assessment period shall not be deemed a waiver, modification, or release of the Owners from their obligation to pay the same. The Association shall have the right, but not the obligation, to make prorated refunds of any Annual Assessments in excess of the actual expenses incurred in any fiscal year. In the alternative, the Executive Board may elect to allocate any such excess Assessments to an Association working capital fund or to an Association reserve fund.

#### Section 11.5. Apportionment of Annual Assessments.

Each Owner shall be responsible for that Owner's share of the Common Expenses, which shall be divided among the Lots on the basis of the Sharing Ratios in effect on the date of assessment, subject to the following provisions, All expenses (including, but not limited to, costs of maintenance, repair, and replacement) relating to fewer than all of the Lots to the extent not covered by insurance shall be borne by the Owners of those affected Lots only. The formula used in establishing Sharing Ratios is an equal allocation among all of the Lots.

#### Section 11.6. Special Assessments.

In addition to the Annual Assessments authorized by this Article, the Association may levy in any fiscal year one or more Special Assessments, if permitted under the Act, payable over such a period as the Association may determine, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of improvements within the Common Area or for any other expense incurred or to be incurred as provided in this Declaration. This Section 11.6 shall not be construed as an independent source of authority for the Association to incur expense, but shall be construed to prescribe the manner of assessing expenses authorized by other sections of this Declaration, and in acting under this Section, the Association shall make specific references to this Section. Any amounts assessed pursuant to this Section shall be assessed to Owners in the same proportion as provided for Annual Assessments in Article XI, Section 11.4., subject to the requirements that any extraordinary maintenance, repair or restoration work on fewer than all of the Lots shall be borne by the Owners of those affected Lots only as reasonably determined by the Executive Board; and any extraordinary insurance costs incurred as a result of the value of a particular Owner's residence or the actions of a particular Owner (or his agents, servants, guests, tenants, or invitees) shall be borne by that Owner. Notice in writing in the amount of such Special Assessments and the time for payment of the Special Assessments shall be given promptly to the Owners, and no payment shall be due less than thirty (30) days after such notice shall have been given. Special Assessments are currently restricted under the Act.

#### Section 11.7. Default Assessments.

All monetary fines assessed against an Owner pursuant to the Association Documents, or any expense of the Association which is the obligation of an Owner or which is incurred by the Association on behalf of the Owner pursuant to the Association Documents, shall be a Default Assessment and shall become a lien against such Owner's Lot which may be foreclosed or otherwise collected as provided in this Declaration.

Notice of the amount and due date of such Default Assessment shall be sent to the Owner subject to such Assessment at least thirty (30) days prior to the due date.

Section 11.8. Effect of Nonpayment; Assessment lien.

Any Assessment installment, whether pertaining to any Annual, Special, or Default Assessment, which is not paid within thirty (30) days after its due date shall be delinquent. If an Assessment installment becomes delinquent, the Association, in its sole discretion, may take any or all of the following actions:

- (i) Assess a late charge for each delinquency in such amount as the Association deems appropriate;
- (ii) Assess an interest charge from the date of delinquency at the yearly rate of two points above the prime rate charged by the Association's bank, or such other rate as the Executive Board may establish, not to exceed twenty-one percent (21%) per annum;
- (iii) Suspend the voting rights of the Owner during any period of delinquency;
- (iv) Accelerate all remaining Assessment installments so that unpaid Assessments for the remainder of the fiscal year shall be due and payable at once;
- (v) Bring an action at law against any Owner personally obligated to pay the delinquent Assessments to collect the delinquent fees, late charges, interest charges and reasonable attorney's fees and costs caused by the delinquency; and
- (vi) Proceed with foreclosure as set forth in more detail below.

Assessments chargeable to any Lot shall constitute a lien on such Lot. The Association may institute foreclosure proceedings against the defaulting Owner's Lot in the manner for foreclosing a mortgage on real property under the laws of the State of Colorado. In the event of any such foreclosure, the Owner shall be liable for the amount of unpaid Assessments, any penalties and interest thereon, the cost and expenses of such proceedings, the cost and expenses for filing the notice of the claim and lien, and all reasonable attorney's fees incurred in connection with the enforcement of the lien. The Association shall have the power to bid on a Lot at foreclosure sale and to acquire and hold, lease, mortgage, and convey the same.

The lien of the Assessments will be superior to and prior to any homestead exemption provided now or in the future by the law of the State of Colorado, and to all other liens and encumbrances except liens and encumbrances recorded before the date of the recording of this Declaration, First Mortgages to the extent permitted under the Act, and liens for governmental assessments or charges imposed against the Lot by Colorado governmental or political subdivision or special taxing district or any other liens made superior by statute.

Section 11.9. Personal Obligation.

The amount of any Assessment chargeable against any Lot shall be a personal and individual debt of the Owner of same. No Owner may exempt himself from liability for the Assessment by abandonment of his Lot or by waiver of the use or enjoyment of all or any part of the Common Area. Suit to recover a money judgment for unpaid Assessments, any penalties and interest thereon, the cost and expenses of such proceedings, and all reasonable attorney's fees in connection therewith shall be maintainable without foreclosing or waiving the Assessment lien provided in this Declaration.

Section 11.10. Successor's Liability for Assessments.

The provisions of the Act shall govern and control (a) the obligations of successors to the fee simple title of a Lot on which Assessments are delinquent and (b) the subordination by the lien of the Assessments provided for in this Declaration.

Section 11.11. Payment by Mortgage.

Any Mortgagee holding a lien on a Lot may pay any unpaid Assessment payable with respect to such Lot, together with any and all costs and expenses incurred with respect to the lien, and upon such payment that Mortgagee shall have a lien on the Lot for the amounts paid with the same priority as the lien of the Mortgage.

Section 11.12. Statement of Status of Assessment Payment.

Upon payment of a reasonable fee set from time to time by the Executive Board and upon fourteen (14) days' written request to the Manager or the Association's registered agent, any Owner, Mortgagee, prospective Mortgagee, or prospective purchaser of a Lot shall be furnished with a written statement setting forth the amount of the unpaid Assessments, if any, with respect to such Lot. Unless such statement shall be issued to the inquiring party within fourteen (14) days, the Association shall have no right to assert a lien upon the Lot over the inquiring party's interest for unpaid Assessments which were due as of the date of the request. Both the written request and the written statement of Assessments under this Section must be issued by personal delivery or by certified mail, first class postage prepaid, return receipt requested, (in which event the date of posting shall be deemed the date of delivery).

ARTICLE XII ASSOCIATION AS ATTORNEY-IN-FACT

Each Owner hereby irrevocably appoints the Association as the Owner's true and lawful attorney-in-fact for the purposes of dealing with any improvements covered by insurance written in the name of the Association pursuant to Article X upon their damage or destruction as provided in Article XIII, or a complete or partial taking as provided in Article XIV below.

Acceptance by a grantee of a deed or other instrument of conveyance from any Owner conveying any portion of the Property shall constitute appointment of the Association as the grantee's attorney-in-fact, and the Association shall have full authorization, right, and power to make, execute, and deliver any contract, assignment, deed, waiver, or other instrument with respect to the interest of any Owner which may be necessary to exercise the powers granted to the Association as attorney-in-fact.

ARTICLE XIII DAMAGE OR DESTRUCTION

Section 13.1. The role of the Executive Board.

Except, as provided in Section 13.6, in the event of damage to or destruction of all or part of any Common Area, or other Property covered by insurance written in the name of the Association under Article X, the Executive Board shall arrange for and supervise the prompt repair and restoration of the damaged property (the Property insured by the Association pursuant to Article X is sometimes referred to as the "Association-Insured Property") .

Section 13.2. Estimate of Damages or Destruction.

As soon as practicable after an event causing damage to or destruction of any part of the Association-Insured Property, the Executive Board shall, unless such damage or destruction shall be minor, obtain an estimate or estimates that it deems reliable and complete of the costs of repair and reconstruction. "Repair and reconstruction" as used in Article XIII shall mean restoring the damaged or destroyed improvements to substantially the same condition in which they existed prior to the damage or destruction. Such costs may also include professional fees and premiums for such bonds as the Executive Board or the Insurance Trustee, if any, determines to be necessary.

Section 13.3. Repair and Reconstruction.

As soon as practical after the damage occurs and any required estimates have been obtained, the Association shall diligently pursue to completion the repair and reconstruction of the damaged or destroyed Association-Insured Property. As attorney-in-fact for the Owners, the Association may take any and all necessary or appropriate action to effect repair and reconstruction of any damage to the Association-Insured Property and no consent or other action by any Owner shall be necessary. Any repair and reconstruction of damaged or destroyed Roads shall, at a minimum, meet all standards approved by Larimer County for the Mariana Cove project. Assessments of the Association shall not be abated during the period of insurance adjustments and repair and reconstruction.

Section 13.4. Funds for Repair and Reconstruction.

The proceeds received by the Association from any hazard insurance carried by the Association shall be used for the purpose of repair, replacement, and reconstruction of the Association-Insured Property.

If the proceeds of the Association's insurance are insufficient to pay the estimated or actual cost of such repair, replacement, or reconstruction, or if upon completion of such work the insurance proceeds for the payment of such work are insufficient, the Association may, pursuant to Article XI, Section 11.6. but subject to applicable law, levy, assess, and collect in advance from the Owners, without the necessity of a special vote of the Owners, a Special Assessment sufficient to provide funds to pay such estimated or actual costs of repair and reconstruction. Further levies may be made in like manner if the amounts collected prove insufficient to complete the repair, replacement, or reconstruction.

Section 13.5. Disbursement of Funds for Repair and Reconstruction.

The insurance proceeds held by the Association and the amounts received from the Special Assessments provided for above, constitute a fund for the payment of the costs of repair and reconstruction after casualty. It shall be deemed that the first money disbursed in payment for the costs of repairs and reconstruction shall be made from insurance proceeds, and the balance from the Special Assessments. If there is a balance remaining after payment of all costs of such repair and reconstruction, such balance shall be transferred to the Associations General Operating Account and each Owner shall receive a credit equal to their shared cost for such remaining balance.

Section 13.6. Decision Not to Rebuild Common Area.

If Owners representing at least 80% of the total allocated votes in the Association and 51% of the Mortgagees holding first Mortgages (based on 1.0 vote for each Mortgage which encumbers a Lot) and all directly affected Owners agree in writing not to repair and reconstruct improvements within the Common Area and if no alternative improvements are authorized, then and in that event the damaged property shall be restored to its natural state and maintained as an undeveloped portion of the Common Area by the Association in a neat and attractive condition. In the event such a written agreement not to repair or reconstruct is made regarding any Road, such decision must additionally receive the written consent of the Board of County Commissioners, Larimer County Colorado. Any remaining insurance proceeds shall be distributed in accordance with the Act.

## ARTICLE XIV CONDEMNATION

Section 14.1. Rights of Owners.

Whenever all or any part of the Common Area shall be taken by any authority having power of condemnation or eminent domain or whenever all or any part of the Common Area is conveyed in lieu of a taking under threat of condemnation by the Executive Board acting as attorney-in-fact for all Owners under instructions from any authority having the power of condemnation or eminent domain, each Owner shall be entitled to notice of the taking or conveying. The Association shall act as attorney-in-fact for all Owners in the proceedings incident to the condemnation proceeding, unless otherwise prohibited by law.

Section 14.2. Partial Condemnation; distribution of Award Reconstruction.

The award made for such taking shall be payable to the Association as trustee for those Owners for whom use of the Common Area was conveyed and, unless otherwise required under the Act, the award shall be disbursed as follows:

If the taking involves a portion of the Common Area on which improvements have been constructed, then, unless within sixty days after such taking Owners who represent at least 67% of the votes of all of the Owners shall otherwise agree, the Association shall restore or replace such improvements so taken on the remaining land included in the Common Area to the extent lands are available for such restoration or replacement in accordance with plans approved by the Executive Board, and the Design Review Committee.

If such improvements are to be repaired or restored, the provisions in Article XIII above regarding the disbursement of funds in respect to casualty damage or destruction which is to be repaired shall apply. If the taking does not involve any improvements on the Common Area, or if there is a decision made not to repair or restore, or if there are net funds remaining after any such restoration or replacement is completed, then such award or net funds shall be transferred to the Association's General Operating Account.

Section 14.3. Complete Condemnation.

If all of the Property is taken, condemned, sold, or otherwise disposed of in lieu of or in avoidance of condemnation, then the regime created by this Declaration shall terminate, and the portion of the condemnation award attributable to the Common Area shall be distributed as provided in Article XIII, Section 13.5. above.

## ARTICLE XV DESIGN GUIDELINES AND REVIEW COMMITTEE

Section 15.1. Design Review Committee and Guidelines.

There is hereby established a Design Review Committee (the "Design Review Committee"), which will be responsible for the establishment and administration of Design Guidelines to facilitate the purpose and intent of this Declaration.

Section 15.2. Purpose and General Authority.

The Design Review Committee will review, study and either approve or reject proposed improvements on the Property, all in compliance with this Declaration and as further set forth in the Design Guidelines and such rules and regulations as the Design Review Committee may establish from time to time to govern its proceedings. No improvement will be erected, placed, reconstructed, replaced, repaired or otherwise altered, nor will any construction, repair or reconstruction be commenced until plans for the improvements shall have been approved by the Design Review Committee; provided, however, that improvements that are completely within a dwelling structure may be undertaken without such approval.

Section 15.2.1. Design Review.

The Owners acknowledge and consent that Mariana Cove was developed as a community of traditional, farm-style or Victorian style homes with the encouragement of front and back porches and a feel of neighborhoods of the past. The Design Review Committee will exercise its best judgment to see that all improvements conform and harmonize with such theme and with any existing structures as to external design, quality and type of construction, seals, materials, color, location on the building site, height, grade and finished ground elevation, and the schemes and aesthetic considerations set forth in the Design Guidelines and other Association Documents. The Committee, with Executive Board approval, may excuse compliance with such requirements as are not necessary or appropriate in specific situations and may permit compliance with different or alternative requirements. The approval by the Design Review Committee of improvements on the Property shall carry no precedential weight when reviewing subsequent requests for approvals, and the Design Review Committee shall not be required to approve requests for the same or similar improvements.

Section 15.3. Design Guidelines.

The Design Guidelines may include, among other things, the restrictions, requirements and limitations set forth below:

- (i) Procedures and necessary fees for making application to the Design Review Committee for design review approval, including the documents to be submitted and the time limits in which the Design Review Committee must act to approve or disapprove any submission.
- (ii) Time limitations for the completion, within specified periods after approval, of the improvements for which approval is required under the Design Guidelines.

- (iii) Designation of the building site on a establishing the maximum developable area of the Lot.
- (iv) Formulas for establishing minimum and maximum square foot areas of living space that may be developed on any Lot.
- (v) Landscaping regulations, with limitations and restrictions prohibiting the removal or requiring the replacement of existing trees, the use of plants indigenous to the locale, and other practices benefitting the protection of the environment, aesthetics und architectural harmony of Mariana Cove.
- (vi) General instructions for the construction, reconstruction, refinishing or alteration of any improvement, including any plan to excavate, fill or make any other temporary or permanent change in the natural or existing surface contour or drainage or any installation or utility lines or conduits on the Property, addressing matters such as loading areas, waste storage, trash removal, equipment and materials storage, grading, transformers and meters.

The Design Review Committee may amend, repeal and augment the Design Guidelines from time to time, in the Design Review Committee's sole discretion. The Design Guidelines will be binding on all Owners and other persons governed by this Declaration. Notwithstanding the foregoing, the Design Review Committee in empowered in its discretion to grant variances from the requirements of the Design Guidelines under unique or unusual circumstances.

Section 15.4. Design Review Committee Membership.

The Design Review Committee will be composed of up to three persons. The Design Review Committee need not include any Member of the Association. All of the members of the Design Review Committee will be appointed, removed and replaced by the Executive Board.

Section 15.5. Organization and Operation of Design Review Committee.

- A. The term of office of each member of the Design Review Committee, subject to Section 15.4., will be one year, commencing January 1 of each year, and continuing until his successor shall have been appointed. Should a Design Review Committee member die, retire or become incapacitated, or in the event of a temporary absence of a member, a successor may be appointed as provided below.

The Design Review Committee and chairman will be appointed by the Executive Board. The Design Review Committee chairman will take charge of and conduct all meetings and will provide reasonable notice to each member of the Design Review Committee prior to any meeting. The notice will set forth the time and place of the meeting, and notice may be waived by any member.

- B. The affirmative vote of majority of the members of the Design Review Committee will govern its actions and be the act of the Design Review Committee.
- C. The Design Review Committee may avail itself of other technical and professional advice and consultants as it deems appropriate, and the Design Review Committee may delegate its plan review responsibilities, except final review and approval, to one or more of its members or to consultants retained by the Design Review Committee. Upon that delegation, the approval or disapproval of plans and specifications by such member or consultant will be equivalent to approval or disapproval by the entire Design Review Committee.

Section 15.6. Expenses.

Except as provided in this Section below, all expenses of the Design Review Committee will be paid by the Association and will constitute a Common Expense. The Design Review Committee will have the right to charge a fee for each application submitted to it for review, in an amount which may be established by the Design Review

Committee from time to time, and such fees will be collected by the Design Review Committee and remitted to the Association to help defray the expenses of the Design Review Committee's operation.

Section 15.7. Other Requirements.

Compliance with the Association's design review process is not a substitute for compliance with County of Larimer, City of Loveland or other applicable governmental building, zoning and subdivision regulations, and each Owner is responsible for obtaining all approvals, licenses, and permits as may be required prior to commencing construction.

Further, the establishment of the Design Review Committee and procedures for architectural review will not be construed as changing any rights or restrictions upon Owners to maintain and repair their Lots and improvements as otherwise required under the Association Documents.

Section 15.8. Limitation of Liability.

The Design Review Committee will use reasonable judgment in accepting or disapproving all plans and specifications submitted to it. Neither the Design Review Committee nor any individual Design Review Committee member will be liable to any person for any official act of the Design Review Committee in connection with submitted plans and specifications, except to the extent the Design Review Committee or any individual Design Review Committee member acted with malice or wrongful intent. Approval by the Design Review Committee does not necessarily assure approval by the appropriate governmental commission for the County of Larimer or the City of Loveland or the proposed Improvement's suitability for an intended purpose. Notwithstanding that the Design Review Committee has approved plans and specifications, neither the Design Review Committee nor any of its members will be responsible or liable to any Owner, developer or contractor with respect to any loss, liability, claim or expense which may arise by reason of such approval of the construction of the improvements. Neither the Executive Board, the Design Review Committee, nor any agent thereof will be responsible in any way for any defects in any plans or specifications submitted, revised or approved in accordance with the provisions of the Association Documents, nor for any structural or other defects in any work done according to such plans and specifications. In all events the Design Review Committee will be defended and indemnified by the Association in any such suit or proceeding which may arise by reason of the Design Review Committee's decisions. The Association, however, will not be obligated to indemnify each member of the Design Review Committee to the extent that any such member of the Design Review Committee is adjudged to be liable for malice or wrongful intent in the performance of his duty as a member of the Design Review Committee, unless and then only to the extent that the court in which such action or suit may be brought determines upon application that, despite the adjudication of liability but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnification for such expense as such court shall deem proper.

Section 15.9. Enforcement.

- A. Any member or authorized consultant of the Design Review Committee, or any authorized officer, Director, employee or agent of the Association may enter upon any Lot at any reasonable time after notice to the Owner, without being deemed guilty of trespass, in order to inspect improvements constructed or under construction on the Lot to determine whether the improvements have been or are being built in compliance with the Association Documents and the plans and specifications approved by the Design Review Committee.
- B. Before any improvements on a Lot may be occupied, the Owner of the Lot will be required to obtain a temporary certificate of compliance issued by the Design Review Committee indicating substantial completion of the improvements in accordance with the plans and specifications approved by the Design Review Committee, and imposing such conditions for issuance of a final certificate of compliance issued by the Design Review

Committee as the Design Review Committee may determine appropriate in its reasonable discretion. Without limiting the generality of the preceding sentence, the Design Review Committee may require that

the Owner deposit with the committee such sums as may be necessary to complete the construction and landscaping on the Lot by a specified date. If the construction and landscaping is not completed as scheduled, the Design Review Committee may apply the deposit to cover the cost of completing the work and enforce such other remedies as are available to the Association for the failure of the Owner to comply with these covenants, including without limitation the remedies set forth in this Section.

- C. Upon completion of construction, the Design Review Committee will issue a certificate of compliance setting forth generally whether, to the best of the Design Review Committee's knowledge, the improvements on a particular Lot are in compliance with the terms and conditions of the Design Guidelines and the approval plans
- D. Every violation of these covenants is hereby declared to be and to constitute a nuisance, and every public or private remedy allowed for such violation by law or equity against a Member will be applicable. Without limiting the generality of the foregoing, these covenants may be enforced as provided below:

The Owner of the improvement will immediately reimburse the Association for all expenses incurred in connection with such removal. If the Owner fails to reimburse the Association within thirty (30) days after the Association gives the Owner notice of the expenses, the sum owed to the Association will bear interest at the default rate from the date of the advance by the Association through the date of reimbursement in full, and all such sums and interest will be a Default Assessment enforceable as provided in Article XI.
  - (iii) All improvements commenced on the Property will be prosecuted diligently to completion and will be completed within eighteen (18) months after commencement, unless an exception is granted in writing by the Design Review Committee. While it is not the intent of the Mariana Cove Home Owner's Association to prevent an Owner from leasing his/her residence (the Residence), it does wish to insure that such rental does not detract from the attractiveness and desirability of living in the Mariana Cove and that such rental does not negatively impact the other Owners.

(ii) Occupancy & Sub-Leasing Limitations -

Due to the character of the neighborhood, the Mariana Cove Home Owner's Association would like to encourage the Owner who is leasing his residence to lease it to an "Individual Family". The written lease agreement governing any rental of the Residence must contain an agreement by the tenant or tenants that, except for legally defined dependents such as a minor child, a son or daughter, or an aged parent of the tenant(s), only those individuals to whom the Residence is leased will occupy the Residence. (vi) Leasing Restriction as a Result of HOA Legal Action -

For repeated violations of the covenants and rules and regulations of the Mariana Cove Home Owner's Association by the tenant(s), the Association, shall have standing to obtain a court order requiring the owner to evict the tenant(s) or may obtain such order on its own behalf.

The Owner shall further provide a complete set of all such covenants, rules, and regulations including a copy of the fine schedule in effect at the time of such leasing to the tenant(s) prior to the signing of the lease.

compliance from his/her tenant(s). The Owner is responsible for and must make timely payment of all fines, any special assessments and yearly association dues assessed against the owner by the Mariana Cove Home Owner's Association. In particular, the Owner must pay any and all fines due to non-compliance with any covenant, rule or regulation of the Mariana Cove Home Owner's Association. It is the Owner's responsibility and option to seek any appropriate reimbursement from the tenant(s).

(ix) Notification of Contact Information -

To enable the Mariana Cove Home Owner's Association to communicate directly with an Owner who leases his/her residence, the Owner shall provide the Mariana Cove Home Owner's Association Board with the Owner's contact information to include address, phone number, and email address. In addition, the Owner must provide the names, phone number, and email address of the tenant(s).

Section 16.6. Businesses.

No Owner shall conduct any business, trade or similar activity on any Lot, except that an Owner or occupant residing on a Lot may conduct business activities within the residence so long as: (a) the existence or operation of the business activity is undetectable to the senses of sight, sound or smell from outside the residence; (b) the business activity conforms to all zoning requirements for the Property; (c) the business activity may be carried out within the confines of the residence and is free from regular visitation of the residence by clients, customers, suppliers or other business invitees or door to door solicitation of residents of the Property; and (d) the business activity is consistent with the residential character of the Property.

Section 16.7. Compliance with Laws.

Subject to the rights of reasonable contest, each Owner will promptly comply with the provisions of all applicable laws, regulations, ordinances, and other governmental or quasi-governmental regulations with respect to all or any portion of the Property.

Each Owner will abide by any wildlife regulations imposed by the Association or any agency or authority having jurisdiction over the Property. Further, no Owner will dispose or allow any person under the Owner's control or direction to release, discharge or emit from the Property or dispose of any material on the Property that is designated as hazardous or toxic under any federal, state or local law, ordinance or regulation.

Section 16.8. Enforcement.

Notwithstanding anything in the foregoing to the contrary, the Executive Board may prohibit any activity, business or otherwise, which, in the sole direction of the Executive Board, constitutes a nuisance, or a hazardous or offensive use, or threatens the security, safety, or quiet enjoyment of other residents of the Property. The Association may take such action as it deems advisable to enforce these covenants as provided in this Declaration. In addition, the Association will have right of entry on any part of the Property for the purposes of enforcing these Articles, and any costs incurred by the Association in connection with such enforcement which remain unpaid thirty (30) days after the Association has given notice of the cost to the Owner and otherwise complied with Act will be subject to interest at the default rate from the date of the advance by the Association through the date of payment in full by the Owner, and will be treated as a Default Assessment enforceable as provided in Article XI.

Section 16.9 Use of the Word "Mariana Cove" or Logo.

Owners may use the term "Mariana Cove" in printed or promotional matter where such term is used solely to specify that particular property is located within Mariana Cove and the Association shall each be entitled to use the word "Mariana Cove" in its name.

## ARTICLE XVII DRAINAGE/SOILS/RESERVOIR

### Section 17.1. Acknowledgment.

The soils within the state of Colorado consist of both expansive soils and low-density soils which may adversely affect the integrity of any residence built on the Lot if the residence and the Lot on which it is constructed are not properly maintained. Expansive soils contain clay minerals which have the characteristic of changing volume with the addition or subtraction of moisture, thereby resulting in swelling and/or shrinking. The addition of moisture to low-density soils causes a realignment of soil grains, thereby resulting in consolidation and/or collapse of the soils.

### Section 17.2. Moisture.

Each Owner of a Lot shall use his or her best efforts to assure that the moisture content of those soils supporting the foundation and the concrete slabs forming a part of the residence constructed thereon remain stable and shall not introduce excessive water into the soils surrounding such residence.

### Section 17.3. Grading.

Each Owner of a Lot shall maintain the grading and drainage patterns of the Lot as indicated in the subdivision plans on file with the Planning Office of Larimer County, Colorado.

### Section 17.4. Water Flow.

The Owner of a Lot shall not impede or hinder in any way the water falling on the Lot from reaching the drainage courses established for the Lot and the Property.

### Section 17.5. Action by Owner.

To accomplish the foregoing, each Owner covenants and agrees, among other things:

- (a) not to install improvements, including, but not limited to, landscaping, items related to landscaping, walls, walks, driveways, parking pads, patios, fences, additions to the residence or any other item or improvement which will change the grading of the Lot. The installation of such improvements is acceptable so long as the manner of installation is consistent with, and does not change, the grading and drainage patterns of the Lot.
- (b) To fill with additional soil any back-filled areas adjacent to the foundation of the residence and in or about the utility trenches on the Lot in which settling occurs to the extent necessary from time to time to maintain the grading and drainage patterns of the Lot.
- (c) Not to water the lawn or other landscaping on the Lot excessively.
- (d) Not to plant flower beds (especially annuals) and vegetable gardens adjacent to or within three (3) feet of the foundation and slabs of the residence.
- (e) If evergreen shrubbery and grass is used within five (5) feet of the foundation walls, to water the shrubbery and grass by controlled hand watering and to avoid excessive watering.
- (f) To minimize or eliminate the installation of piping and heads for sprinkler systems within five (5) feet of foundation walls and slabs.
- (g) To install any gravel beds in a manner which will assure that water will not pond in the gravel areas, whether due to non-perforated edging or due to installation of the base of the gravel bed at a level lower than the adjacent lawn.
- (h) To install a moisture barrier (such as polyethylene) under any gravel beds.

- (i) To maintain the gutters and down spouts which discharge water into extensions or splash blocks by assuring that (1) the gutters and down spouts remain free and clear of all obstructions and debris; (2) the water that flows from the extension or the splash block is allowed to flow rapidly away from the foundation and/or slabs; and (3) the splash blocks are maintained under sill cocks.
- (j) To recaulk construction joints opening up between portions of the exterior slabs and garage slabs in order to thereby seal out moisture.

Section 17.6. Disclaimer: Soils Report.

Association and the DRC shall not be liable for any loss or damage to the residence caused by, resulting from, or in any way connected with soil conditions on any Lot. Owners are required to obtain a soils report with respect to a particular Lot prior to the commencement of construction of a residence on such Lot.

Section 17.7. Reservoir Access.

There is no right of access or use of any type, either expressed or implied, by any Owner to the Reservoir, its shores, waterways, surface waters, or tributaries. No person shall take or use any waters in any ditch, from its shores, waterways, tributaries or from the Reservoir. No person or any Owner may obtain access to or use the Reservoir for recreational or other purposes without: (1) the prior written consent of the Consolidated Home Supply Ditch and Reservoir Company; or (2) compliance with the terms of any lease agreement between the State of Colorado and the Consolidated Home Supply Ditch and Reservoir Company. All persons and Owners are notified that compliance with such lease agreement is mandatory. It is understood that the Association nor the original declarant are parties to this lease agreement and have no rights under the lease obligation.

Section 17.8. Release.

- (a) Each Owner, for itself, its successors, assigns, guests, and invitees, agrees to release and, the Executive Board or the Design Review Committee, its incorporators, stockholders, directors, officers, attorneys, lessees, agents, successors and assigns, personally and in any corporate capacity, harmless from and against any and all liability and claims that such persons may have arising from flooding caused by the Reservoir, its tributaries, or surrounding water areas.
- (b) Each Owner hereby agrees on behalf of itself and its successors and assigns that the Owner shall release and save harmless, the Executive Board and the Design Review Committee, its incorporators, stockholders, directors, officers, attorneys, lessees, agents, successors, and assigns, personally and in any corporate capacity from and against any and all claims which the Owner may have or assert arising out of: washing or erosion caused by the Reservoir, seeping or inundation of the Lots or the Property, percolation of water underneath said Lots or Property by reason of the Reservoir being maintained at any level up to and including its high-water line; damage to property or personal injury to any of the Owners, members of their families, or their guests arising out of the use of the Reservoir or the waters thereof; damage resulting from the use of the Reservoir; damage resulting from ice, wind, or wave action upon or from the Reservoir; damage to property or personal injury to the Owners, for themselves, their successors, assigns, guests and invitees from contact with any rough surfaces, riprap, rock or other materials placed in the Reservoir; damage from seepage, erosion, flooding, icing, or other causes arising from or out of any of the facilities which are the property of the Ditch Company, its successors or assigns, and the use and operation thereof; damage from flooding, acts of God or other matters beyond control of, the Executive Board or the Design Review Committee.
- (c) Each Owner hereby agrees on behalf of itself, and its successors and assigns that the Owner shall release and save harmless the Consolidated Home Supply Ditch and Reservoir Company ( the "Ditch Company") and its successors or assigns from and against any and all claims which any of them may have or assert arising out of: washing or erosion caused by the Reservoir; seeping or inundation of the Lots or Property; the percolation of water underneath the Lot or Property by the reason of the Reservoir being maintained at any level up to and including its high-water line; damage to property or personal injury to any of the Owners,

members of their families, or their guests arising out of the use of the Reservoir or the waters thereof; damage resulting from ice, wind, or wave action upon the Reservoir; damage from seepage, erosion, flooding, icing, or other causes arising from or out of any of the Ditch Company's facilities or structures and the use and operation thereof; damage from storm, flooding, acts of God, or other matters beyond the control of the Consolidated Home Supply Ditch and Reservoir Company. Each Owner will hold the Ditch Company harmless from any and all loss, damages, costs and reasonable attorney fees occasioned by claims for damage to property or personal injury brought against the Ditch Company by any of the Owners, their successors or assigns, members of their families, or their guests, and arising out of any of the above causes.

Section 17.9. Ditch Company Easements and Rights.

The Owners acknowledge, agree and consent to those easements, rights and restrictions granted to the Ditch Company as set forth in the Agreement as recorded on April 14, 1994 at Reception No.94032686 in the real property records of Larimer County, Colorado, including, without limitation, the restrictions on improvements and construction within the overflow high water line of the Reservoir, the easements granted to the Ditch Company for access and other work related to the Reservoir and its attendant ditches and the easement granted to the Ditch Company for the construction of new improvements within the Property. The Owners further acknowledge and agree that the Association shall assume all obligations of the Landowner as defined in such Agreement and shall hold such Landowner (as defined therein) harmless from and against any and all claims or expenses (including, without limitation, reasonable attorney fees) incurred by reason of the Association's failure to comply with or satisfy the obligations of such Agreement.

- (i) By act or omission seek to abandon, partition, subdivide, sell, or transfer all or part of the Common Area (provided, however, that the granting of easements or rights of way for public utilities or for other public purposes consistent with the intended use of such Common Area shall not be deemed a transfer within the meaning of this clause)
